

“Smudgie”

You may be wondering why my name is "Smudgie"... well that is because I have a cute little smudge of gray on the top of my head. I am a very friendly girl and I love attention! The very first day I was brought into the shelter I snuggled up into the girls arms. The man that brought me into the shelter told the girls that I was found near piles of garbage! Even then, I kept my pretty white fur nice and clean
