

Permit Application No:	_____	Total floor area:	_____
Type of Building:	_____	Municipality:	_____
Address of demolition:	_____		
Owner of Property:	_____		
Applicant:	_____		

Ontario Building Code:

1. Does the building exceed 3 stories in building height? <i>Number of stories above grade:</i> _____ <i>Number of stories below grade:</i> _____	<input type="checkbox"/> Yes <input type="checkbox"/> No
2. Does the building exceed 600m ² (6458ft ²) in building area (<i>footprint</i>)? <i>Building area to be demolished (m² or ft²):</i> _____	<input type="checkbox"/> Yes <input type="checkbox"/> No
3. Does the building contain pre-tensioned or post-tensioned members?	<input type="checkbox"/> Yes <input type="checkbox"/> No
4. Will the proposed demolition extend below the level of the footings of any adjacent building and occur within the angle of repose of the soil as drawn from the bottom of the footings?	<input type="checkbox"/> Yes <input type="checkbox"/> No
5. Will there be any explosives or lasers used during the course of demolition?	<input type="checkbox"/> Yes <input type="checkbox"/> No

If the answer to **any** of questions **1 to 5** is **Yes**, the applicant shall retain a Professional Engineer to undertake the general review of the project during the demolition. Furthermore, the applicant shall submit a completed General Review Demolition Commitment Certificate and a letter detailing the structural design characteristics of the building and method of demolition.

Relocating a Building:

6. Will you be moving this building? <i>Address of property to which building is to be moved:</i> _____ <i>Moving Route:</i> _____	<input type="checkbox"/> Yes <input type="checkbox"/> No
--	--

If the answer to question **6** is **Yes**, the applicant shall have 'Section C' of this form completed by the appropriate departments, prior to the submission of the demolition permit application.

Ontario Fire Code:

The Ontario Fire Code stipulates specific safety measures to be in place prior to and during a demolition. The owner/authorized agent of the owner shall insure that, *where applicable*, the demolition of the building is carried out in accordance with *Section 8.1* of the *Fire Code*. Copies of the Ontario Fire Code (Section 8) have been made available at Clarington's Building Division; alternatively the complete fire code is accessible online at www.e-laws.gov.on.ca. Questions regarding compliance of Section 8 of the Ontario Fire Code may be directed to Clarington Emergency and Fire Services, Fire Prevention Division, 905.623.5126.

Environmental Considerations:

It is the responsibility of the building owner/authorized agent to ensure the safety of workers from hazardous materials including, but not limited to asbestos and lead paint in accordance with the Occupational Health and Safety Act and Regulations. Furthermore, a detailed survey to determine the types and conditions of hazardous material shall be carried out and provided to the Contractor prior demolition.
