Pool Enclosure Permit is for (check one box):

- Inground Pool Above Ground Pool Hot Tub

Site Information

Read questions and check Yes or No:

- 1. Is your property a corner lot? Yes No
- 2. Is there a septic system on your property within 5 metres (16.5 feet) from the inground pool or within 3 metres (10 feet) from the above ground pool? (Region of Durham Health Department approval may be required if Yes) Yes No
- 3. Has your lot been sodded for at least two years? (Lot must have grading certified) Yes No
- 4. Is this a public pool? Yes No
- 5. Is Central Lake Ontario Conservation (CLOC) approval required? Yes No
- 6. Is Ganaraska Region Conservation Authority (GRCA) approval required? Yes No
- 7. Is there an easement or a right-of-way on the property? Yes No

Fence and Gate Information

Swimming pool must be enclosed with a safety fence conforming to Fence By-law 2000-105, as it has been amended in By-law 2003-071. Please refer to the Fence By-law attached for details.

Type of Fence

Is your fence existing or new (check one box)? Existing New

- Type 1:** Vertical board wood fence with the climbable surface of the horizontal members more than 1.2 metres (4 feet), boards a maximum 4 inches apart on the outside of the property.
- Type 2:** Vertical board wood fence with the climbable surface of the horizontal members less than 1.2 metres (4 feet), boards a maximum 1.5 inches apart on the outside of the property.
- Type 3:** Chain link fence conforming to Section 5.4 (6) of Fence By-law 2000-105 and amendments in By-law 2003-071.
- Type 4:** Metal picket fence conforming to Section 5.4 (5) of Fence By-law 2000-105 and amendments in By-law 2003-071.

Other type of fence; please give details:

Note: Existing fences must conform to Fence By-law 2000-105 and amendments in By-law 2003-071, and your fence may have to be replaced or re-designed to conform to Fence By-law 2000-105 and the amendments in By-law 2003-071.

Agreement

I/We agree to comply with the provision of Fence By-law 2000-105 as amended, Fence By-law 2003-071, and Zoning By-law 84-63 and 2005-109 of the Municipality of Clarington. I/We further agree that neither the granting of a permit nor the approval of the drawings or specifications, nor inspections made by any agent or employee of the Municipality shall in any way relieve Me/Us from full responsibility for compliance with Fence By-law 2000-105 and Zoning By-law 84-63 and 2005-109.

It is the responsibility of the owner and applicant to book an inspection when the fence is complete and prior to filling the pool with water. Call our answering machine at **905-623-7876** to book an inspection.

Date: _____ Signature of Applicant: _____

Location of Pool and Gates on Property and Fence Type:

Indicate on the site plan below or on a copy of your survey the proposed location of the pool with the setbacks from the pool to all property lines.

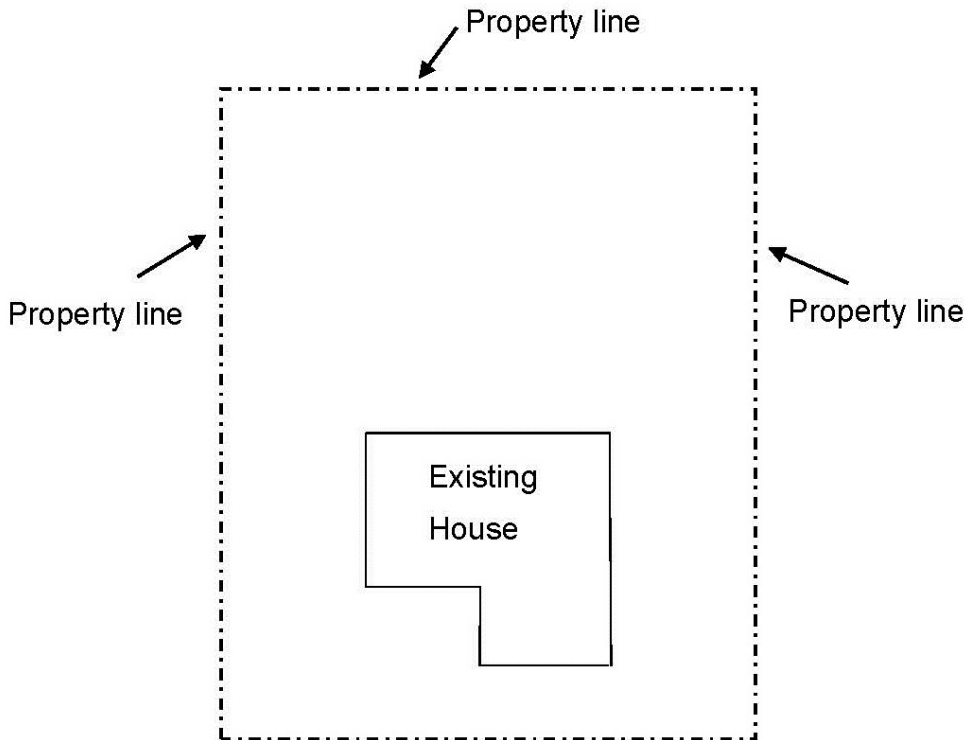

Indicate on the site plan below or on a copy of your survey the location of all gates on your property.

Indicate on the site plan below or on a copy of your survey the type, location, and height of the proposed or existing fence. For type of fence, see Fence and Gate Information on the first page of this application.

If you are on a corner lot, indicate on the site plan below, the location and name of both streets.

Easements and/or Right-of-Way

You are required to check if there are any easements or rights-of-way on your property and inform the Plans Examiners. Include the location of any easement or rights-of-way on the site plan below. Check your survey or your title for the registration of any easements or rights-of-way.
