

Guidelines for Reopening Businesses

The Province of Ontario has a complete list of sector-specific guidelines and safety measures that businesses must implement to reopen safely.

Visit <https://www.ontario.ca/page/resources-prevent-covid-19-workplace> for more information.

Maintain physical distancing at all times. Limit customers and employees to ensure that a two-metre distance is kept.

Provide hand sanitizer upon entrance to your business. Include wash stations or sanitizers for outdoor workplaces.

Provide barriers or plexiglass to shield cashiers or reception staff from the public.

Increase the frequency of cleaning and disinfecting of your workplace, vehicles, and all high-touch surfaces.

Keep all staff informed on Provincial and workplace guidelines for reopening.

Ensure your customers understand the new rules and guidelines, provide clear signs and direction.
