

Municipal On-Street Parking Permit Regulations

1. The Municipal on-street parking permit (M.O.P.P.) shall be displayed at all times when the vehicle is parked on the street.
2. It is the sole responsibility of the vehicle owner to ensure that the M.O.P.P. is clearly and properly displayed on the rear view mirror.
3. The M.O.P.P. shall allow the vehicle, on which it is displayed, to be parked on the street for periods in excess of three hours and between the hours of 3:00 a.m. and 5:00 a.m.
4. Use of the M.O.P.P. shall not apply to areas where on-street parking is governed by the use of parking meters or 'No Parking' or 'No Stopping'.
5. Use of the M.O.P.P. does not exempt the holder from the necessity to comply with all other requirements of the Traffic By-law.
6. Where a vehicle displaying an M.O.P.P. is found parked in contravention of any provision of the By-law, save and except the three hour limit and the 3:00 a.m. and 5:00 a.m. restriction, it shall be dealt with in the same manner as if it did not have a permit.
7. The Municipality reserves the right to restrict or prohibit the issuance of M.O.P.P.'s on those streets which, by virtue of their construction width or placement of buildings, would create an unsafe condition for motorists or would restrict the flow of traffic to the point where it could impede the usual movement of Emergency, Service or Maintenance Vehicles.
8. The M.O.P.P. is available for the use on currently plated personal motor vehicles only and not for any vehicle bearing commercial motor vehicle licence plates or used for a commercial purpose.
9. There shall be no more than one M.O.P.P. issued per property, regardless of the number of vehicles or occupants of the property.
10. The Municipality accepts no responsibility or liability in the event of an accident involving a vehicle parked on the street and displaying an M.O.P.P.
11. The purchase of an M.O.P.P. does not guarantee the purchaser a reserved parking spot on the street.
12. The M.O.P.P. is valid only for the period specified on the face of the Permit.
13. The M.O.P.P. is valid only for the street(s) specified on the face of the Permit.
14. Use of the M.O.P.P. on a vehicle displayed for sale on the street is not permitted.
15. Misuse of the M.O.P.P. may result in the cancellation of the Permit.
16. In the event of cancellation, no refund shall be paid to the Permit holder.
17. The Municipality reserves the right to refuse to issue an M.O.P.P. to any person and is under no obligation to justify or explain its actions.
18. The Municipality reserves the right to cancel an M.O.P.P. where necessary to facilitate roadwork or for other purposes and periods of time as the Municipality sees fit.
