Parking Consideration

In Clarington, residents and visitors may request a parking exemption for up to seven days per calendar year, per licence plate, free of charge. This is to accommodate last minute visitors and overnight guests.

On-street parking permits for longer durations are available for a fee. If you are looking for a more permanent solution to your parking needs you can apply for weekly or monthly passes. The applications will be reviewed based on parking availability on the street.

Winter Parking

Parking regulations during snow clearing:

- 1 You cannot park on any street between the hours of 3 and 5 a.m. year round.
- 2 You cannot park on the street during a snow storm at any time of day or night. If you park on the street during a snow event, your vehicle may be towed.

Remember: Parking on the street during a snow event can slow down snow clearing operations, and in some cases, it may stop snow clearing from taking place on that street.

Parking Rules in Clarington

Traffic By-Law

Clarington's Traffic By-Law regulates traffic and on-street parking on highways, municipal streets, boulevards, as well as sidewalks, and municipal property.

On-Street Parking

On-street parking is prohibited:

- For more than three hours
- Between 3 and 5 a.m.
- Further than 15 cm from the curb
- On or over a sidewalk or footpath
- Within 15 metres of a crosswalk, intersection or roundabout
- In the centre of a cul-de-sac
- Within 3 metres of a community mailbox or fire hydrant
- Within 1 metres of a driveway
- When snow is being plowed or removed from a road

For a complete list of parking regulations, visit www.clarington.net/Parking or call the Municipal Law Enforcement Division at 905-623-3379 ext. 2105.

Parking 101

Remember these do's and don'ts of residential parking.

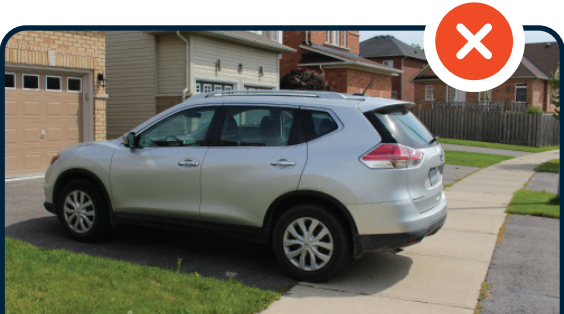

In the photo above, the vehicle is overhanging into the road, which may impede traffic.

Parallel parking is allowed on the boulevard portion of your driveway as long as the vehicle is not on or over the road, sidewalk or grass.

Parking is allowed on the paved portion of your boulevard as long as the vehicle is not blocking or overhanging the road or the sidewalk. The photos above is parked correctly.

In the photo above and the photo below, the vehicle is parked over the sidewalk making it dangerous for pedestrians, especially those pushing a stroller or using a wheelchair.

School Zones

Motorists must park safely at schools and obey 'No Parking' and 'No Stopping' signs and all rules of the road. Leave bus stops for buses, and fire routes for emergency vehicles. Ensure crosswalks are clear for children to cross safely. Parking Enforcement Officers routinely patrol schools to enforce parking regulations.
